

qualified to fly solo.

A. Students who are taught to fly by one flight instructor will not be signed off by the same instructor. You will have to be tested by another designated flight instructor.

D. RETESTING

Anyone failing the above test may be re-tested without further training at the discretion of the flight instructor.

E. FLIGHT LOG

Each new student member will be given a flight log. the purpose of this log is document the students progress. It is the responsibility of the person teaching the student to fly to keep the book current. This log can be used to see the students progress or areas that need to be improved.
