Tip of the Month

WATER BASED NON-TOXIC CLEANER

When rebuilding engines, you need a good metal cleaner that will remove baked on oil and carbon. Here is a formula for a water-based non-toxic cleaner for all metal parts.

60 ml liquid fabric cleaner
60 ml Sunlight dishwashing liquid
240 ml tap water.

You now have a safe water-based metal cleaner.

FRED MEYER

834 SHENNECOSSETT ROAD

GROTON, CT 06340

INSTRUCTORS NEEDED, IF INTERESTED PLEASE CONTACT TOM VERNON 860-859-1548	INSTRUCTORS NEEDED, IF INTERESTED PLEASE CONTACT TOM VERNON 860-859-1548

IF YOU ARE A STUDENT HOOK UP WITH ONE OF THESE MEN AND GET TRAINED. ANY CLUB PILOT CAN TRAIN YOU, BUT AN INSTRUCTOR MUST SIGN YOU OFF TO FLY SOLO.

How your membership card will be used this year

Cut a slot on the short side and
Install the clip provided. Use CA
To fix the metal clip to the plastic
Strap.

Glue a clothes pin to the back of
the membership card. This is the
easiest solution.

Please remember to use your new card as your frequency pin. All of the frequencies you use are printed on the card so make sure you locate it correctly.

e-mail: mikes3d@sbcglobal.net

The Club Fun Fly may be held in conjunction with clean up day. To be announced.

REPEAT

Board of Directors Meeting on February 20, 2007

1. We are incurring higher expenses this year as all payments to the AMA have increased, and we have expanded our flying field to include a dedicated area for helicopters resulting in our yearly lease doubling to \$2,000.00.
 - a. A budget is being worked on and will be presented at the March meeting.
2. We have negotiated an indoor flying site at the Salem school and we are proposing those people who want to fly indoors should cover the cost of insurance and any donation we give to the school.
3. The board is asking the members to consider a 50/50 raffle to be held at the meetings as a way to increase income.
4. The board has made a suggestion that senior dues be raised for 2008. Please give this consideration for discussion at the next meeting. Open and Junior dues would remain the same.
5. For those of you who cannot attend a meeting to pick up your 2007 membership card, you can send a self addressed stamped envelope to Bill Mares at 145 Preston Allen road, Lisbon, CT 06351.
6. The March meeting will start at 6:30PM so we will have time to commence assembly of a trainer that will be used at the neighborhood fun fly. This is the opportunity for new members with little or no experience to participate in the correct assembly of an ARF trainer.
7. Clean up day at the field will be April 28. Rain date is the 29th of April. See you then.

Minutes of March 20, 2007 Meeting

The March 20, 2007 meeting of the RC Propbusters was called to order at 6:35 PM with 27 members present. The minutes of the February meeting were read by Bill Mares and accepted. Ron Czikowsky read the financial report and is as follows; January income \$945.00, Donations \$90.00, for a Total of \$1035.00, expenses stamps labels etc. \$142.23, AMA Dues \$40.00 for CD & sanction, Donation for flowers \$159.00(for Ed Avena), total expenses was \$341.23. Opening Amount was \$8127.24, ending amount was \$8821.01. Financial report accepted.

Committees

Runway-John and Dennis are still trying to get final word on whether we can get some of the felt from the Paper Mill. It comes 50' wide so we would need to cut it down to length we need.

IMAC(June 16,17)- John reports he has his sanction and will be advertising. As we near the event John will be looking for volunteers to assist with cooking etc.

Henry Struck (July 21, 22) (Electric)- Jorge reports he has his sanction and has an ad for the event and is looking for somebody to print it out. 40 or 50 or so. Fred said he would help him out.

Warbird & Vintage Aircraft over Salem in Memory of Bob Berringer and Ed Avena (August 4, 5)- Fred is now a CD and has the sanction. Everything on track

Neighborhood Fun-Fly (Aug 12)-No progress yet. This month we started building the plane for the raffle.

Heli (Aug 25, 26)- Sanction is in and advertising is being made

Club Fun Fly (early 2007)- no report.

AMA Event- Jack told Andy Argenio August would be no good for us that September is the only time we can really support it due to farmers field being hayed.

Board of Directors Report

Items discussed were setting up a budget. There are a lot of expenses like Lease, field upkeep, Port-o-potty, etc. which exceeds \$4000 per year. Our goal is to spend a little less than what we take in.

A couple of things discussed were raising dues for seniors to \$25, running a 50/50 raffle at the meetings, Charging \$5 per year for every that wants to fly indoors etc.

Old Business:

Frequency control- Fred showed a couple of nice pictures in the news letter of how to attach a clip to your membership card to use as a Frequency Pin.

New Business:

Jack reports that the lock combo is changed until ground dries out a little. If you want to fly you can still walk in. Field Clean up day is April 28, all are welcomed to help out.

Fred asked that everybody that receives the newsletter via email please check that your email allows him to send to you. Also if you select to receive both and you have an email you will not receive snail mail, to help cut down on cost.

Good and Welfare

None

New Members

None

Model of the Month

2 models were shown.

John Banks showed an ARF, katana electric made in Italy

Fred Meyers showed an ARF, a Flightron Electric

The meeting was adjourned at 7:15 PM.

Respectively submitted by: Bill Mares.
