CD: Mike Swift 860-448-2246
e-mail: mikes3d@sbcglobal.net

Event Date: August 24-25, 2007

The Club Fun-Fly Date still needs to be set.

TRAINERS AND PILOTS AARE NEEDED FOR THE NEIGHBORHOOD FUN FLY SO PLAN ON COMING TO THE FIELD ON AUGUST 12TH AND ENJOY THE WONDERMENT OF NEW POTENTIAL FLIERS AND CLUB MEMBERS.

THIS EVENT IS IMPORTANT BECAUSE IT IS OUR WAY OF GIVING BACK TO THE COMMUNITY AND INTRODUCING THEM TO OUR GREAT HOBBY.

Minutes of June 19, 2007 Meeting

The June 19, 2007 meeting of the RC Propbusters was called to order at 8:03 PM with 22 members present. The minutes of the May meeting were read by Bill Mares and accepted. Ron Czikowsky read the financial report and it was accepted.

Committees

IMAC- John Banks reports Event very successful.

Henry Struck (July 21, 22) (Electric)- George was not present.

Warbird & Vintage Aircraft over Salem in Memory of Bob Berringer and Ed Avena (August 4, 5)- No report, Fred wasn't present.

Neighborhood Fun-Fly (Aug 12)-Working, Asking for Volunteers

Heli (Aug 25, 26)- Coming along

Club Fun Fly (????????)-.

Old Business:

Dennis is looking into another type of material made like nylon from the Sprague paper mill to use as a runway for Electrics.

Blimp Volunteers are still needed. Please call Dennis and let him know which home games you would like to help out at. You also get 2 free tickets to bring guest. The Sun is also considering inviting our entire membership to a game.

Dates were picked for possible flying at Salem School. These dates have to be submitted and approved by the school. Motion was made on the following and approved. We are looking at starting in September and ending in April on Sundays 1-5pm and meeting nights 4-7pm. Dates are Sept. 23, Oct. 21, Nov. 14,18, 20(4-7), Dec. 2, 16, 18(4-7), Jan. 13, 27, 15(4-7), Feb. 10, 24, 19(4-7), Mar. 9, 23, 18(4-7), Apr. 13, 27, 15(4-7). We are also contemplating charging a landing fee for flyers so we can make a donation to the school

New Business:

Safety note: Please, if you fly Electrics. DO NOT PLUG in your battery until you are on the flight line.

Odetah Campground want our club to fly float Planes again sometime in July. Disk Wilkins has been in touch with them.

We need to have the trailer cleaned out and get rid of everything we don't need and we need to get some DECON to put in there as there was evidence of Mouse houses and pooh. Also need to look at support trailer to keep it off the ground.

The meeting was adjourned at 9:05 PM.

Respectively submitted by Bill Mares.

Minutes of July 17, 2007 Meeting

The July 17, 2007 meeting of the RC Propbusters was called to order at 8:01 PM with 22 members present. The minutes of the June meeting were read by Bill Mares and accepted. Ron Czikowsky read the financial report and it was accepted.

Committees

Henry Struck (July 21, 22) (Electric)- George report all set and asked for volunteers to help.

Warbird & Vintage Aircraft over Salem in Memory of Bob Berringer and Ed Avena (August 4, 5)- No report, Fred wasn't present.

Neighborhood Fun-Fly (Aug 12)-Working, Asking for Volunteers. Trainer built and test flown. Flyers are handed out.

Heli (Aug 25, 26)- Coming along

Club Fun Fly (????????)-.

Old Business:

Dennis is still waiting on Paper mill for electric runway material.

Blimp flying, members still welcome to help fly.

Paperwork will be submitted to Salem School in August.

New Business:

Ray Knieriem has resigned as Vice President. John Banks will assume his role for the remainder of the year.

One of our members got hurt in a flying mishap at the field resulting in a trip to the medical center. He's fine.

We need to exercise caution while flying (especially in the wind) to make sure we stay away from parking lot and picnic area.

It was noticed that first aid kit was not well stock and stuff out of date. We should look into replacing and re stocking maybe twice a year.

Also any lost and found items should go in the first aid kit.

Until Fred builds the bench for the Heli field they are borrowing a couple of picnic benches.

Good and Welfare

Tom Vernon gave us a talk about making sure we range check planes we haven't flown in a while and exercising safety while flying in wind and also flying by yourself. And perhaps coming up with a standardize flight check for new pilots.

Jacks suggest that when you are running up an engine on the flight line make sure you stand behind the plane for safeties sake.
