

Minutes of November 20, 2007 Meeting

The November 20, 2007 meeting of the RC Propbusters was called to order at 7:08 PM with 18 members present. The minutes of the October meeting were read by Bill Mares and accepted. Ron Czikowsky gave the Financial Report and it was accepted.

Committees

Tractor Committee. Jack presented his findings for a new tractor and a discussion began. One proposal was for buying a real good one with a 60 inch cut by putting down a few thousand and financing the rest. Jack will provide more at the next meeting.

PortoPotti. Ron got a price for a new one with the purell dispenser. A motion was made to purchase it and it passed. To be purchased in the spring.

Old Business:

Dennis got the wire from the mill in Sprague. We will wait till spring to lay it down and try it out.

Dennis heard from the Salem School and we WON'T be able to use the gym this year.

Dennis is still waiting for Mohegan Sun to come up with a time for us to fly in the Arena.

Tom Vernon briefly went over the proposed changes to the bylaws. We then voted on and passed the changes. New bylaws will be listed on the club web site.

Just some Clarification, with the bylaw change, there will be no classification of "Senior dues". Therefore all dues will be \$ 50 for all members with the exception of juniors.

Thanks to Jack and all those who helped with the storage trailer.

Reminder: when Jack feels the ground gets to soggy to drive into the field he will change the combo.

New Business:

Dennis is going to look into another possible flying field in Griswold that is on private property for use on weekends. After the first of the year we will form a committee to look into alternate sites.

Dennis suggested a New Years day fly-in with a potluck. Anybody interested let us know.

A discussion of events for next year came up and there were many individual opinions as to what kind and how many. So Dennis suggested maybe next month we could discuss it more.
