Dec 2008 NEWSLETTER

Now is the time to renew your membership. If you sign up after the February 2009 meeting the cost for membership increases by \$10.00 so why wait, do it now. You can use the application for renewal contained in this newsletter or go to our web site and download a form.

New Officers & board members will be elected at the December meeting so plan on attending to vote and sign up for 2009.

I will be sending the newsletter for the following G-Mail e-mail account name so make sure it is in your address book.

fmeyerrc@gmail.com

REMEMBER TO USE THE BUTT CANS. NO EXCUSES PLEASE!!!

TIP OF THE MONTH

Masking the framework of a canopy can be a frustrating experience, especially if you use paper masking tape. It typically doesn't conform very well to curves & allows the paint to bleed under it. Black electrical tape is an inexpensive alternative. It is easy to apply, has excellent adhesion & stretches enough to bend around curves. When you pull it back you will be amazed at the sharp, crisp paint line.

We will be electing officers and new board members this month so come and vote. It also behooves you to join before the February 17th, 2009 meeting as the dues will increase by \$10.00 after that date to cover the additional work and costs associated with updating the club roster with the Academy of Model Aeronautics.

We will be hosting the "come and fly anything" event in June and we may be holding up to 2 pylon racing events in 2009, so get ready to rumble with a pylon racer. Trust me, this is terrific fun & challenging.
