## June 2008 NEWSLETTER

The past month has been a very interesting one.

- We have had Salem School 2<sup>nd</sup> graders come to the field & have received some great letters from these kids (these will be posted on our web site).
- We have had High School students from Ray Knieriem Class visit and bring a Hover Craft they built as a project. A couple of photos are included in the newsletter.
- We had a visit from the Quiet Birdmen who enjoyed our hospitality and watching our planes perform. A few also tried their hand at flying. A thank you letter is in the Newsletter.
- Next month look for details on our Memorial event held for all Propbusters Missing in Action. It was a great event.
- **WE REQUEST EVERYONE READ THE CLUB RULES AND SAFETY REQUIREMENTS POSTED ON THE FILED BULLETIN BOARD**

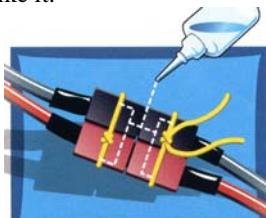

## NOTICE

Neighborhood Fun Fly August 10th

***THE COMBINATION HAS BEEN RESET TO NORMAL & THE FIELD IS OPEN***

### TIP OF THE MONTH

Large Dean's Ultra & the Astro Flight Zero Loss Connectors can be very hard to get apart because they are so smooth & there is not much area to grip with the fingers. If you do not like to pull on the wires, here is a quick & simple fix. Tie a string around the connector body and put a couple of drops on thin CA on the string to bond it to the connector body. When it sets, clip the ends of the string. It takes only minutes and makes it easy to mate and separate connectors. Try it, you'll like it.

## 2<sup>nd</sup> Grade Field Day at our Salem Field

The kids had a ball and most of the letters state a desire to come again. Two bus load of kids and not one problem because the teachers and parents who came did a great job of organizing the field trip and controlling the kids. It was a great day for all who attended.

2nd Graders Letter

Dear Prop busters the  
planes you fly are very cool.  
I wish I could go on another  
fealed trip. I liked when you did  
flips.

## QUIET BIRDMAN

June 15, 2008

RC PROPBUSTERS  
SALEM, CT

Dear Dennis Duplice

On Behalf of the Groton Hangar of Quiet Birdman I would like to extend to you a sincere Thank You for the wonderful time our organization had at your field. Your staff was professional and eager to educate as well as show us a good time. All the volunteers were excellent radio controlled pilots with the participants and observers all gaining valuable experience. The feedback from all who attended was very positive. I am confident the nights activities will be remembered by all who attended for a long time to come.

Again, Thank you for sharing your facility and wonderful staff with our society of pilots.

Sincerely,

George Constantine  
Governor

## Minutes of June 17, 2008 Meeting

The June 17, 2008 meeting of the RC Probusters was called to order at 8:04 PM with 20 members present. The minutes of the May meeting were read by Bill Mares and accepted. Ron Czikowsky gave the Financial Report and it was accepted.

### Committees

**Quiet Birdmen.** June 5. Event was a big success. We received a Letter of thanks from them expressing that they all had a good time.

**ALL Model EVENT.** June 28-29. Flyers have been sent out to all clubs and hobby shops within 100 miles. Fred has asked people to volunteer to help out. Everything ready to have a good time. If you want to help out call or email.

**Neighborhood Fun Fly.** Will be in August on the 10<sup>th</sup>. Ray, Dennis, and Bill will organize this with the help of all club members.

#### Old Business:

Calvin Stewart is still working on plans and layout for a Pylon Race in October.

Frank Tamburrino asked about what was being done with the wire that came from Stone Container. Was it going to be used or not?

#### New Business:

Dominic Tranchida passed away and the club sent a donation.

There is an AMA District 1 Electric Fun Fly June 21,22 in Wintonbury.

Jack read us some letters from the Salem 2<sup>nd</sup> graders that came out to the field in May.

#### Good and Welfare

Jack wanted to remind all new and old members to read the club rules posted on the board at the field.

#### New Members

Rick Quirino

Mark Tardiff
